

AIUB Knowledge Base

American International University-Bangladesh (AIUB)

AIUB was established in 1994 as AMA International University-Bangladesh, a joint venture with AMA Computer University of the Philippines, and was renamed American International University-Bangladesh in 2001. Its founder was Dr. Anwarul Abedin. The university moved to a permanent 12-acre campus in Kuratoli, Khilkhet, Dhaka, in 2017. Its motto is “Where Leaders Are Created.”

The university serves over 13,500 students with more than 510 faculty members across 5 faculties: Arts and Social Sciences, Business Administration, Engineering, Health and Life Sciences, and Science and Technology. These faculties encompass 21 departments offering programs in English, media and mass communication, law, economics, business administration, architecture, computer science and engineering, electrical and electronic engineering, industrial and production engineering, data science, cybersecurity, computer engineering, pharmacy, development studies, and public health.

AIUB’s faculty includes Dr. ABM Siddique Hossain, who is recognized among the world’s top 2 percent of scientists. The Vice-Chancellor is Professor Dr. Saiful Islam. The university has graduated over 41,000 students across 23 convocations.

Undergraduate admission at AIUB requires a minimum HSC GPA of 2.5, with an admission test or direct admission for high scorers. The university follows a semester system with intakes in Spring, Summer, and Fall. The application fee is BDT 1,000. Graduate programs include MBA, Executive MBA, and various MSc and MA degrees.

AIUB’s tuition is approximately BDT 6,500 to 8,000 per credit depending on the program. Total costs range from about BDT 780,000 for a 120-credit BBA to BDT 1,105,000 for architecture. The first semester for CSE, including all fees, comes to approximately BDT 156,500. The one-time admission fee is BDT 25,000.

Scholarships include merit-based awards covering 25 to 100 percent of tuition, need-based scholarships, sports scholarships for national athletes, cultural scholarships, alumni scholarships, Dean’s List awards, the Founder’s scholarship, and sibling discounts of 10 percent.

AIUB boasts the largest virtual lab setup in South Asia and has one of the most active club scenes among private universities, with over 40 clubs. These include the AIUB Computer Club, Business Club, Cultural Club, Debating Society, Film Club, Photography Society, Robotics Club, IEEE Student Branch, Law and Moot Court Society, Environment Club, Music Club, Drama Society, and Model UN Club. The university is also a TOEFL and GMAT test center.

In rankings, AIUB achieved remarkable success in QS Global MBA Rankings 2026, placing 251-300 worldwide and 43rd in Asia, making it the only Bangladeshi university in this ranking. Its Executive MBA program ranked 27th in Asia. THE World University Rankings place

AIUB at 1201-1500 globally, with its Computer Science program ranked 801-1000 and Engineering at 801-1000. THE Sustainability Impact Ratings place it second in Bangladesh.

Notable AIUB alumni include Zaheed Sabur, the first Bangladeshi director at Google, and Shakib Al Hasan, captain of the Bangladesh national cricket team. The university's Career and Placement Office actively connects students with employers. AIUB has faced a tax dispute with the National Board of Revenue over its tax exemption status and periodic UGC compliance matters.

Admission Process

AIUB admits students for three semesters per year: Spring (January), Summer (May), and Fall (September). The application process begins with online registration at admission.aiub.edu where applicants create an account, fill all required fields, upload a recent color photograph and academic papers in JPG format, and pay a BDT 1,000 application fee. For undergraduate programs, minimum requirements include a total GPA of 6.00 (on a scale of 10) with minimum 2.75 in each for Science background, with Math mandatory at HSC level for engineering programs. For BSc in CSE and related FST programs, minimum GPA requirements vary by program. For A-Level students, minimum GPA 2.5 in both O and A Levels separately with no grade lower than D. The admission test format includes a written exam followed by a viva interview. SAT waivers are available for minimum scores of 1650/2400 or 1106/1600. Selected candidates complete online admission and registration through the admission portal, receiving AIUB student IDs and Microsoft Office 365 education accounts. Required documents include attested photocopies of all board mark sheets, certificates, three passport-sized photographs, and for O/A Level students, attested certificate copies. International students need certified academic records translated to English, language proficiency scores, letters of recommendation, proof of financial resources, and medical records.

Degrees Offered

AIUB offers a comprehensive range of undergraduate and graduate programs across five faculties. Undergraduate programs include BA in English, BA in Journalism and Mass Communication, BSS in Economics, Bachelor of Law (LLB), Bachelor of Business Administration (BBA), Bachelor of Architecture (B.Arch), BSc in Electrical and Electronic Engineering (EEE), BSc in Industrial and Production Engineering (IPE), BSc in Computer Engineering (COE), Bachelor of Pharmacy (BPharm), BSc in Biochemistry and Molecular Biology (BMB), BSc in Computer Science and Engineering (CSE), BSc in Data Science (DS), and BSc in Computer Networks and Cyber Security (CNCS). Graduate programs include Master in Development Studies (MDS), Master of Laws (LLM), Master of Arts in English, Master of Science in Computer Science (MSCS), Master of Business Administration (MBA), Executive MBA (EMBA), Master in Electrical and Electronic Engineering (MEEE), Master of Engineering in Telecommunications (MTel), and Master of Public Health (MPH). The university also offers continuing education programs including CCNA, CyberOps, PGD in Cybersecurity, PGD in ICT, PGD in Human Resource Management, and various language courses through its Institute of Continuing Education (ICE).

Faculties and Departments

AIUB is organized into five faculties. The Faculty of Arts and Social Sciences (FASS) includes departments of English, Economics, Journalism and Mass Communication, Law, and Social Science. The Faculty of Business Administration (FBA) offers programs with majors in Accounting, Economics, Finance, Human Resource Management, International Business, Investment Management, Marketing, Management, Operations and Supply Chain Management, Tourism and Hospitality Management, and Innovation and Entrepreneurship Development. The Faculty of Engineering (FE) includes departments of Electrical and Electronic Engineering (EEE), Industrial and Production Engineering (IPE), and Computer Engineering (COE), along with Architecture. The Faculty of Health and Life Sciences (FHLS) includes departments of Pharmacy and Biochemistry and Molecular Biology. The Faculty of Science and Technology (FST) includes departments of Computer Science and Engineering (CSE), Data Science (DS), and Computer Networks and Cyber Security (CNCS). The FBA also houses specialized departments including Accounting, Finance, Management, Human Resource Management, Marketing, International Business, Operations and Supply Chain Management, and Innovation and Entrepreneurship Development.

Faculties and Departments (Detailed)

Detailed information about all faculties and departments at American International University-Bangladesh (AIUB) is provided below.

Faculty of Arts and Social Sciences (FASS) — Dean: Prof. Dr. Tazul Islam. Contact: tislam@aiub.edu.

Department of English: Head: Mr. Hamidul Haque (hamidhaq@aiub.edu) Offers BA in English, MA in English. Faculty strength: approximately 20. Key research areas include English Literature; Linguistics; ELT; Cultural Studies; Critical Theory. Notable faculty: Prof. Dr. Tazul Islam (Dean, Literature & Cultural Studies); Mr. Hamidul Haque (Head, English Literature). Facilities: Language Lab, Multimedia Classrooms, Library

Department of Economics: Head: Dr. Faria Sultana (faria@aiub.edu) Offers BSS in Economics, MSS in Economics. Faculty strength: approximately 15. Key research areas include Development Economics; Macroeconomics; Econometrics; Public Policy; International Trade. Notable faculty: Dr. Faria Sultana (Head, Development Economics); Dr. A.B.M. Rahmatullah (Associate Dean, Economics). Facilities: Economics Research Lab, Computer Lab

Department of Law: Head: Prof. Dr. Taslima Monsoor (Advisor) (taslima@aiub.edu) Offers Bachelor of Laws (LL.B.). Faculty strength: approximately 12. Key research areas include Jurisprudence; Constitutional Law; International Law; Human Rights Law; Legal Education. Notable faculty: Prof. Dr. Taslima Monsoor (Advisor, International Law); Dr. A.B.M. Rahmatullah (Law & Economics). Facilities: Moot Court Room, Legal Aid Clinic, Law Library

Department of Journalism and Mass Communication: Head: Prof. Pradip Kumar Panday (Head), Prof. AJM Shafiul Alam Bhuiyan (Advisor) (pradip@aiub.edu) Offers BA in Journalism & Mass Communication. Faculty strength: approximately 14. Key research areas include Print Journalism; Broadcast Media; Digital Media; Public Relations; Media Ethics. Notable faculty: Prof. AJM Shafiul Alam Bhuiyan (Advisor, Mass Communication); Prof. Pradip Kumar Panday (Head, Journalism). Facilities: Media Lab, Photography Studio, Video Editing Suite

Department of Social Science: Head: Dr. Buddha Dev Biswas (buddha@aiub.edu) Offers BSS in Sociology, MSS in Sociology. Faculty strength: approximately 10. Key research areas include Sociology; Anthropology; Social Research Methods; Gender Studies; Urban Studies. Notable faculty: Dr. Buddha Dev Biswas (Head, Sociology). Facilities: Social Science Research Lab

Department of Public Health: Head: Dr. Muhammad Wasiful Alam (wasif@aiub.edu) Offers Master of Public Health (MPH). Faculty strength: approximately 10. Key research areas include Epidemiology; Global Health; Occupational Health; Mental Health; Health Policy. Notable faculty: Dr. Muhammad Wasiful Alam (Head, Public Health); Ms. Monidipa Saha (Public Health). Facilities: Public Health Lab, Epidemiology Research Center

Faculty of Business Administration (FBA) — Dean:
Prof. Dr. Charles C. Villanueva. Contact: charlesvill@aiub.edu.

Department of Accounting: Head: Prof. Farheen Hassan (Director, BBA Program) (farheen@aiub.edu) Offers BBA, MBA, EMBA. Faculty strength: approximately 15. Key research areas include Financial Accounting; Managerial Accounting; Auditing; Corporate Finance; IFRS. Notable faculty: Prof. Dr. Charles C. Villanueva (Dean, Finance); Prof. Farheen Hassan (BBA Director, Accounting). Facilities: Business Lab, Financial Research Lab

Department of Finance: Head: Prof. Farheen Hassan (Director, BBA Program) (farheen@aiub.edu) Offers BBA, MBA, EMBA. Faculty strength: approximately 12. Key research areas include Corporate Finance; Investment Management; Financial Markets; Banking; Risk Management. Notable faculty: Prof. Dr. Charles C. Villanueva (Dean, Finance). Facilities: Finance Lab, Trading Room

Department of Marketing: Head: Prof. Farheen Hassan (Director, BBA Program) (farheen@aiub.edu) Offers BBA, MBA. Faculty strength: approximately 12. Key research areas include Consumer Behavior; Digital Marketing; Brand Management; Market Research; International Marketing. Notable faculty: Prof. Farheen Hassan (Marketing Management). Facilities: Marketing Research Lab

Department of Management: Head: Prof. Farheen Hassan (farheen@aiub.edu) Offers BBA, MBA. Faculty strength: approximately 10. Key research areas include Strategic Management; Organizational Behavior; Human Resource Management; Entrepreneurship; Leadership. Notable faculty: Prof. Farheen Hassan (Head, Management & HRM). Facilities: Management Lab

Department of Human Resource Management (HRM): Head: Prof. Farheen Hassan (farheen@aiub.edu) Offers BBA, MBA. Faculty strength: approximately 8. Key research areas include HR Analytics; Talent Management; Organizational Development; Employee Relations; Compensation Management. Notable faculty: Prof. Farheen Hassan. Facilities: HR Simulation Lab

Department of Management Information Systems (MIS): Head: Prof. Farheen Hassan (Director, BBA Program) (farheen@aiub.edu) Offers BBA. Faculty strength: approximately 8. Key research areas include Information Systems; E-Commerce; Database Management; Business Analytics; IT Strategy. Notable faculty: AIUB FBA Faculty. Facilities: MIS Lab, Computer Lab

Department of International Business: Head: Prof. Farheen Hassan (Director, BBA Program) (farheen@aiub.edu) Offers BBA. Faculty strength: approximately 6. Key research areas include

International Trade; Global Supply Chain; Cross-Cultural Management; Foreign Direct Investment; Global Strategy. Notable faculty: AIUB FBA Faculty. Facilities: International Business Resource Center

Department of Tourism and Hospitality Management: Head: Prof. Farheen Hassan (Director, BBA Program) (farheen@aiub.edu) Offers BBA. Faculty strength: approximately 6. Key research areas include Tourism Management; Hospitality Operations; Event Management; Sustainable Tourism; Hotel Management. Notable faculty: AIUB FBA Faculty. Facilities: Tourism Lab

Department of Investment Management: Head: Prof. Farheen Hassan (Director, BBA Program) (farheen@aiub.edu) Offers BBA. Faculty strength: approximately 6. Key research areas include Portfolio Management; Security Analysis; Derivatives; Alternative Investments; Wealth Management. Notable faculty: AIUB FBA Faculty. Facilities: Investment Lab

Faculty of Engineering (FE) — Dean: Prof. Dr. ABM Siddique Hossain. Contact: siddique@aiub.edu.

Department of Electrical and Electronic Engineering (EEE): Head: Dr. Md. Saniat Rahman Zishan (Director, FE) (saniat@aiub.edu) Offers BSc in EEE. Faculty strength: approximately 25. Key research areas include Power Systems; Renewable Energy; Control Systems; Communication Engineering; Embedded Systems. Notable faculty: Prof. Dr. ABM Siddique Hossain (Dean, Power Systems); Prof. Dr. Md. Abdul Mannan (Associate Dean, Electrical Engineering); Dr. Md. Saniat Rahman Zishan (Director, FE); Dr. Mohammad Nasir Uddin. Facilities: Power Systems Lab, Control Systems Lab, Communication Lab, Electronics Lab, VLSI Lab, Robotics Lab

Department of Industrial and Production Engineering (IPE): Head: Mr. Nafiz Ahmed Chisty (chisty@aiub.edu) Offers BSc in IPE. Faculty strength: approximately 15. Key research areas include Production Planning; Supply Chain Management; Quality Control; Operations Research; Manufacturing Systems. Notable faculty: Mr. Nafiz Ahmed Chisty (Head, IPE); Prof. Dr. Md. Abdur Rahman (Pro-VC, Engineering). Facilities: Production Lab, CAD/CAM Lab, Simulation Lab

Department of Architecture: Head: Dr. Mohammad Nasir Uddin (drnasir@aiub.edu) Offers BSc in Architecture. Faculty strength: approximately 12. Key research areas include Architectural Design; Urban Planning; Sustainable Architecture; Building Technology; Landscape Architecture. Notable faculty: Dr. Mohammad Nasir Uddin (Head, Architecture). Facilities: Design Studio, Computer Lab, Model Making Workshop, Material Museum

Department of Computer Engineering: Head: Mr. Nafiz Ahmed Chisty (chisty@aiub.edu) Offers BSc in Computer Engineering. Faculty strength: approximately 10. Key research areas include Computer Architecture; Embedded Systems; VLSI Design; Network Security; Hardware Design. Notable faculty: Faculty of Engineering Team. Facilities: Computer Engineering Lab, Microprocessor Lab, Digital Systems Lab

Faculty of Health and Life Sciences (FHLS) — Dean: TBD (New appointment pending). Contact: info@aiub.edu.

Department of Pharmacy: Head: Dr. Muhammad Wasiful Alam (Acting) (wasif@aiub.edu) Offers Bachelor of Pharmacy (B.Pharm). Faculty strength: approximately 12. Key research areas include

Pharmaceutical Sciences; Pharmacology; Medicinal Chemistry; Pharmaceutics; Clinical Pharmacy. Notable faculty: AIUB Pharmacy Faculty. Facilities: Pharmacy Lab, Pharmaceutical Analysis Lab, Pharmacology Lab, Chemistry Lab

Department of Biochemistry and Molecular Biology: Head: TBD (info@aiub.edu) Offers BSc in Biochemistry & Molecular Biology. Faculty strength: approximately 8. Key research areas include Molecular Biology; Biochemistry; Genetics; Cell Biology; Biotechnology. Notable faculty: AIUB FHLS Faculty. Facilities: Biochemistry Lab, Molecular Biology Lab, Biotechnology Lab

Department of Public Health: Head: Dr. Muhammad Wasiful Alam (wasif@aiub.edu) Offers Master of Public Health (MPH). Faculty strength: approximately 10. Key research areas include Epidemiology; Global Health; Occupational Medicine; Health Systems; Community Health. Notable faculty: Dr. Muhammad Wasiful Alam (Head, Public Health); Ms. Monidipa Saha. Facilities: Public Health Lab, Epidemiology Research Lab

Faculty of Science and Technology (FST) — Dean: Prof. Dr. Dip Nandi. Contact: dip.nandi@aiub.edu.

Department of Computer Science: Head: Dr. M. M. Mahbubul Syeed (mahbubul.syeed@aiub.edu) Offers BSc in Computer Science & Engineering, MSc in Computer Science, BSc in Data Science, BSc in Computer Network & Cyber Security. Faculty strength: approximately 50. Key research areas include Artificial Intelligence; Machine Learning; Data Science; Cybersecurity; Software Engineering. Notable faculty: Prof. Dr. Dip Nandi (Dean, AI & Data Science); Prof. Dr. Khandaker Tabin Hasan (Associate Dean, FST); Dr. M. M. Mahbubul Syeed (Head, CS); Dr. Tabin Hasan. Facilities: AI Supercomputing Lab, Cyber Security and Digital Forensics Lab, Animation and Game Development Lab, Networking Lab, Software Engineering Lab, Data Science Lab

Department of Data Science: Head: Dr. M. M. Mahbubul Syeed (mahbubul.syeed@aiub.edu) Offers BSc in Data Science. Faculty strength: approximately 15. Key research areas include Big Data Analytics; Data Mining; Statistical Modeling; Business Intelligence; Predictive Analytics. Notable faculty: Prof. Dr. Dip Nandi (Dean, Data Science); Dr. Afroza Nahar (Data Science Group). Facilities: Data Science Lab, Big Data Analytics Lab

Department of Network Engineering / Cybersecurity: Head: Dr. M. M. Mahbubul Syeed (mahbubul.syeed@aiub.edu) Offers BSc in Computer Network & Cyber Security. Faculty strength: approximately 12. Key research areas include Network Security; Cybersecurity; Digital Forensics; Cryptography; Ethical Hacking. Notable faculty: AIUB FST Faculty. Facilities: Cyber Security Lab, Digital Forensics Lab, Network Simulation Lab

Department of Chemistry: Head: AIUB FST Faculty (info@aiub.edu) Offers BSc in Chemistry (Supporting). Faculty strength: approximately 8. Key research areas include Analytical Chemistry; Organic Chemistry; Inorganic Chemistry; Physical Chemistry; Environmental Chemistry. Notable faculty: AIUB FST Faculty. Facilities: Chemistry Lab, Analytical Lab

Department of Physics: Head: AIUB FST Faculty (info@aiub.edu) Offers BSc in Physics (Supporting). Faculty strength: approximately 8. Key research areas include Applied Physics; Quantum Mechanics; Electronics; Photonics; Material Science. Notable faculty: AIUB FST Faculty. Facilities: Physics Lab, Electronics Lab

Department of Mathematics: Head: AIUB FST Faculty (info@aiub.edu) Offers BSc in Mathematics (Supporting). Faculty strength: approximately 10. Key research areas include Pure Mathematics; Applied Mathematics; Statistics; Operations Research; Mathematical Modeling. Notable faculty: AIUB FST Faculty. Facilities: Mathematics Lab, Statistics Lab

Credit System and Duration

AIUB follows a semester-based academic calendar with three semesters per year: Spring (January-April), Summer (May-August), and Fall (September-December). Undergraduate programs typically require 4 years (8 semesters) to complete, with total credit requirements varying by program: BBA requires 140 credits, BSc in CSE requires approximately 157 credits, BSc in EEE requires around 160 credits, and B.Arch requires 5 years. Graduate programs typically span 1-2 years. The trimester system allows students to accelerate their studies. Regular academic load is 14-15 credits per semester for undergraduates and 12 credits for graduates. The university's academic calendar includes specific dates for course registration, class commencement, exam periods, and semester breaks. AIUB uses an Outcome-Based Education (OBE) system and follows a 4.00 CGPA scale.

Tuition and Costs Overview

AIUB's tuition varies by program effective from Fall 2026-27. Undergraduate per-credit fees: BA in English BDT 6,500, BSS in Economics BDT 5,500, BA in JMC BDT 5,000, LLB BDT 8,500, BBA BDT 8,000, B.Arch BDT 6,500, BSc in EEE BDT 7,500, BSc in IPE BDT 6,500, BSc in COE BDT 6,000, BPharm BDT 8,500, BSc in BMB BDT 7,000, BSc in CSE BDT 8,500, BSc in Data Science BDT 8,500, BSc in CNCS BDT 8,500. Graduate per-credit fees: MDS BDT 4,500, MPH BDT 4,500, MBA/EMBA BDT 6,000, MEEE/MTel BDT 4,500, LLM BDT 4,500, MSCS BDT 4,500, MA in English BDT 4,500. One-time fees include Admission Fee BDT 25,000 and Verification Fee BDT 2,000. Per-semester fees include Student Activities and Facilities Fee BDT 12,500. Lab fees: Computer/Language Lab BDT 2,500, Science Lab BDT 2,000, Health Sciences Lab BDT 3,000, Studio Fee BDT 2,000. Total estimated cost for a 4-year BBA program is approximately BDT 700,000-800,000 depending on credit load.

Rankings

AIUB has achieved notable rankings in global university assessments. In QS World University Rankings 2026, it is ranked 1401+ globally and 771-780 in Asia for 2026. In Times Higher Education (THE) World University Rankings 2026, AIUB is ranked 1201-1500 globally. THE Computer Science 2025 ranks AIUB at 801-1000 and THE Engineering 2025 ranks at 801-1000. AIUB ranked 4th among private universities and 6th among all universities in Bangladesh in QS World University Rankings 2027. AIUB retained 2nd position in Bangladesh in THE Sustainability Impact Ratings 2026. AIUB is QS Star rated with 3 Stars overall, with 4 Stars in Teaching, Facilities, and Specialist Criteria in Engineering - Electrical & Electronic. The university holds UNESCO recognition as an International University published in the UNESCO International University Handbook 2006 edition.

Campus and Facilities Overview

AIUB's permanent campus spans 12 acres (4.9 hectares) at 408/1 Kuratoli, Khilkhet, Dhaka 1229. The campus features modern academic buildings, state-of-the-art laboratories, and extensive sports facilities including basketball, cricket, and football grounds. The university boasts a large auditorium, seminar rooms, a central library, and multiple computer labs. There are dedicated research labs including the AI Supercomputing Lab (featuring NVIDIA DGX Spark systems with up to 1 petaflop AI performance), Cyber Security and Digital Forensics Laboratory, and the Next-Generation Animation and Game Development Lab equipped with Intel Core i9 processors, NVIDIA RTX 5080 Ti GPUs, and 64 GB RAM. The campus has Wi-Fi connectivity throughout, air-conditioned classrooms, cafeterias, prayer rooms, and medical facilities. AIUB maintains a smoke-free and politics-free campus environment. Indoor games facilities and recreational areas are available for students. The university also has a Business Incubation Center (BIC) operating under the Dr. Anwarul Abedin Institute of Innovation (D2A2I).

Scholarships and Financial Aid Overview

AIUB offers a comprehensive scholarship and financial aid program. Merit-Based Scholarships for freshman students require GPA 5.00 (Golden) or GPA 5.00 in both SSC and HSC, or 5 A's in O-Level and 2 A's in A-Level, followed by a Scholarship Exam. Academic Scholarship for Regular Students requires completion of two regular semesters, CGPA 3.75+, no grade below B+, and no disciplinary issues. Dr. Anwarul Abedin Scholarship provides 100% tuition coverage for one female undergraduate student per faculty per semester, requiring CGPA 3.75+ and active extracurricular participation. Mrs. Hasna Abedin Scholarship covers 100% tuition for one meritorious Master's student per faculty, requiring CGPA 3.8+ and research/social welfare involvement. National Talents Scholarships, Sports Scholarships, and Club Scholarships support extracurricular excellence. Financial aid options include General Need-Based Tuition Fee Waiver, Freedom Fighter Waiver (100% as per government policy), Alumni Tuition Fee Waiver, Corporate Tuition Fee Waiver, Sibling Waiver, AIUB Employee Waiver, AIUB Employee Dependent Waiver, On-campus jobs, and Volunteer Scheme. Students can receive scholarship in only one category, opting for the higher percentage if eligible for multiple.

Notable Features

AIUB is distinctive for its American-style education system and English-medium instruction. The university is a board member of the Association of Universities of Asia and Pacific (AUAP) and holds memberships in the American Chamber of Commerce in Bangladesh (AmCham), Association of Management Development Institutions of Bangladesh (AMDIB), and Global University Network for Innovation (GUNI). AIUB's TOEFL and GMAT score recipient code is 7067. The university operates its own AI Supercomputing Lab, one of the most advanced in Bangladesh. Notable alumni include Shakib Al Hasan and Mahmudullah Riyad (Bangladesh national cricket team players), Zaheed Sabur (Distinguished Engineer at Google), and numerous executives at Grameenphone, bKash, Mastercard, and other leading organizations. AIUB has over 500+ faculty members with 121 full-time doctorates. The university has produced over 41,226 graduates across 23 convocations.

Course Details and Credit Costing

Per-credit tuition effective Fall 2026-27: Undergraduate programs range from BDT 5,000 (JMC) to BDT 8,500 (CSE, DS, CNCS, LLB, BPharm). BBA is BDT 8,000/credit. BSc EEE is BDT 7,500/credit. BSc IPE and BArch are BDT 6,500/credit. BSc COE is BDT 6,000/credit. BA English is BDT 6,500/credit. BSS Economics is BDT 5,500/credit. BSc BMB is BDT 7,000/credit. Graduate programs: MBA/EMBA BDT 6,000/credit. MDS, MPH, MEEE, MTel, LLM, MSCS, MA English are BDT 4,500/credit. Total program costs: BBA (140 credits) ~BDT 1,120,000 tuition + fees. BSc CSE (157 credits) ~BDT 1,334,500. BSc EEE (160 credits) ~BDT 1,200,000. BPharm (160 credits) ~BDT 1,360,000. One-time admission fee BDT 25,000, verification fee BDT 2,000. Per-semester activity fee BDT 12,500.

Faculty Information

American International University-Bangladesh (AIUB) operates through five distinct faculties as of January 2024: the Faculty of Arts and Social Sciences (FASS), Faculty of Business Administration (FBA), Faculty of Engineering (FE), Faculty of Health and Life Sciences (FHLS), and Faculty of Science and Technology (FST). The dean of FASS is Prof. Dr. Tazul Islam, with Prof. Dr. A. B. M. Rahmatullah serving as Associate Dean. The Faculty of Engineering is led by Dean Prof. Dr. A B M Siddique Hossain, who completed his PhD in Electrical Engineering from the National Technical University of Athens, Greece in 1978 and previously served as Dean at BUET, with Prof. Dr. M. A. Mannan as Associate Dean. The FBA is under the leadership of Prof. Dr. Charles C. Villanueva as Dean, with Prof. Dr. Farheen Hassan as Associate Dean. The FST is currently led by Dean (in charge) Mr. Mashior Rahman, with Prof. Dr. Dip Nandi as Associate Dean who holds a PhD in Computer Science from RMIT University, Australia. The FHLS is a newer faculty covering pharmacy, public health, and biochemistry. AIUB boasts over 550 highly qualified faculty members, with more than 121 holding doctoral degrees. In a remarkable achievement, five AIUB faculty members were recognized in the Stanford University-Elsevier Top 2% Scientists Worldwide list for 2025: Prof. Dr. Md. Abdur Rahman (Pro-Vice Chancellor, specialization in wireless communications, PhD from Tokyo Institute of Technology, Japan), Prof. Dr. Mohammed Jashim Uddin (Mathematics, FST), Prof. Dr. Nowshad Amin (EEE, PhD from Tokyo Institute of Technology, Japan, specializing in solar photovoltaic energy), Prof. Dr. Muhammad Firoz Mridha (Computer Science, FST, with over 350 peer-reviewed papers and 9000+ citations), and Associate Prof. Dr. Khan Md Raziuddin Taufique (Marketing, FBA). In 2024, three of these faculty members were also recognized. The faculty of engineering houses department heads including Mr. Nafiz Ahmed Chisty (EEE), Dr. Chowdhury Akram Hossain (CoE), and Dr. Ehasanul Haque (IPE). The FST department heads include Prof. Dr. Tabin Hasan (Graduate Programs, CS, PhD from University of Trento, Italy), Dr. Muhammad Firoz Mridha (Undergraduate CS), and Dr. M. M. Mahbubul Syeed. The FBA has 13 departments including Accounting, Finance, Marketing, HRM, MIS, Business Analytics, and Tourism and Hospitality Management. The faculty size is substantial, with approximately 510+ academic staff and a student-to-faculty ratio of about 21.8 to 1 university-wide.

Scholarships (Detailed)

AIUB's scholarship program is divided into two main categories: Scholarship (tuition fee waiver only) and Financial Aid. Under Scholarship: (1) Merit Based Scholarships for Freshman students require GPA 5.00 in SSC and HSC, or 5 A's in O-Level and 2 A's in A-Level, plus passing a Scholarship Exam. (2) Academic Scholarship for

Regular Students requires two regular semesters completed, minimum 14-15 credits enrolled, CGPA 3.75+, no grade below B+, no F/I/W/UW/retake/dropped courses, no disciplinary action. (3) Dr. Anwarul Abedin Scholarship for female undergraduate students covers 100% tuition fee for one student per faculty per regular semester (Fall and Spring), requiring CGPA 3.75+, no grade below B+, active participation in extracurricular/social welfare activities. (4) Mrs. Hasna Abedin Scholarship for postgraduate students covers 100% tuition fee for one student per faculty per semester, requiring CGPA 3.8+, no grade below B+, full-time 12 credits, active research or social welfare engagement. Extra-curricular scholarships cover National Talents, Sports, and Club activities. Financial Aid includes General Need-Based Tuition Fee Waiver, Freedom Fighter Waiver (100% tuition for children of freedom fighters following government/UGC policy), Alumni Waiver, Corporate Waiver, Sibling Waiver, AIUB Employee Waiver/Dependent Waiver, On-campus jobs, and Volunteer Scheme.

Student Numbers

As of the 2024-25 academic year, AIUB enrolls 13,515 students, making it a large-sized private university in Bangladesh according to uniRank enrollment ranges. The student body is predominantly undergraduate, with approximately 2,681 BBA students alone enrolled in the Faculty of Business Administration as of 2025. Total graduate output has exceeded 40,000 alumni since inception, with the FBA alone producing over 18,146 graduates over three decades. The teacher-student ratio stands at approximately 21.8 to 1 overall, though within specific faculties like FBA the ratio is about 24 to 1. The gender distribution shows a male majority with a female to male ratio of 26 to 74, meaning about 26 percent of students are female. International students make up about 2 percent of the total student population, reflecting AIUB's growing global outreach. The university has an 80 percent employment rate within the first six months of graduation. The acceptance rate is selective at 30 to 39 percent, based on entrance examinations and past academic records. The university enrolled over 10,000 students as of the 2024-2025 WHED statistics. AIUB offers 7 categories of scholarships based on needs, merit, and talent. The academic staff numbers approximately 900 to 999 members, with 110+ administrative staff and a total of 953 full-time staff as of 2021-2022. The university maintains a strong focus on undergraduate education while also offering master's programs across all five faculties.

Research

AIUB has a robust research infrastructure anchored by the Central Research Policy (CRP), Central Research Committee (CRC), and Faculty Research Committees (FRC). Key research labs include the AI Supercomputing Lab (inaugurated May 2026, featuring NVIDIA DGX Spark systems delivering 1 petaflop of AI performance, focusing on large language models and sovereign AI for Bangla language), Cyber Security and Digital Forensics Laboratory (focusing on national security and digital governance), and the Next-Generation Animation and Game Development Lab (equipped with high-performance workstations for 2D/3D animation, VFX, game development, AR/VR/XR). Research centers include the Business Incubation Center (BIC) under D2A2I providing seed funding and grants, Center for Sustainable Energy Research (CSER) focusing on renewable energy systems, microgrids, and smart grids. The Dr. Anwarul Abedin Institute of Innovation (D2A2I) drives R&D and innovation. AIUB participates in the University Rover Challenge (URC) by the Mars

Society, builds solar electric vehicles, and has multiple robotics achievements. AIUB published research across disciplines including computing, engineering, business analytics, and nanotechnology. The university hosts international conferences and has collaborative agreements with numerous international institutions.

Innovation

AIUB fosters innovation through its Dr. Anwarul Abedin Institute of Innovation (D2A2I) and Business Incubation Center (BIC), which provide seed funding, access to grants, mentorship, and networking opportunities for startups. The BIC operates with a vision to transform AIUB into a dynamic hub for innovation and entrepreneurship. AIUB acts as a financial broker connecting local startups with external funding from government and industry partners. Notable innovations include the AIUB Robotic Crew (ARC) participating in international rover competitions, solar electric vehicle projects, and multiple award-winning robotics teams. The Department of Innovation and Entrepreneurship Development offers specialized BBA majors in entrepreneurial mindset, new venture development, entrepreneurial finance, and e-commerce. AIUB students have won championships in Robo-Soccer, Robo-Wrestling, and various inter-university competitions. The university has strong industry partnerships including Cisco Networking Academy and offers continuing education in cybersecurity, ethical hacking, and ICT.

Administration

AIUB's administration is headed by the Vice Chancellor, currently Prof. Dr. Saiful Islam, who assumed office on 23 May 2024. Prof. Islam holds a BSc and MSc in Electrical Engineering from BUET and a PhD from Cambridge University, UK (1986). He previously served as Vice Chancellor of BUET (2016-2020) and was the first Dean of the Engineering Faculty at AIUB (2002-2006). The Pro-Vice Chancellor is Prof. Dr. Md. Abdur Rahman, who earned his PhD in wireless communications from Tokyo Institute of Technology, Japan in 2013 and has been recognized among the Stanford top 2% scientists worldwide. The Treasurer is Prof. Dr. Nisar Ahmed. The Registrar is Group Captain (Retd.) Dr. Mohammad Zahidul Islam Khan, who also serves as Member-Secretary of the Syndicate. The Chancellor of the university is the President of Bangladesh, currently President Mohammed Shahabuddin, as per the Private University Act 2010. The Board of Trustees includes Founder Members: Ms. Nadia Anwar (Chairman and Founder Member), Mr. Ishtiaque Abedin (Founder Member), Dr. Hasanul A. Hasan (Founder Member), Ms. Shania Mahia Abedin (Member), and Dr. Carmen Z. Lamagna (Member and former Vice Chancellor). The university's Syndicate Committee is chaired by the Vice Chancellor and includes the Pro-Vice Chancellor, Treasurer, Board of Trustees nominees, and government and UGC nominees. The deans of all five faculties serve on key academic committees. The Proctor is Prof. Dr. S. A. M. Manzur H. Khan. Other key administrative offices include the Office of Student Affairs, Office of Sports, and the Controller of Examinations. The university operates under the academic supervision of the Vice Chancellor, who is assisted by the Academic Council and an Advisory Committee.

News

Recent news (2024-2026): AIUB ranked 4th among private and 6th among all universities in Bangladesh in QS World University Rankings 2027. AIUB retained 2nd position in Bangladesh in Times Higher Education (THE) Sustainability Impact Ratings 2026. AIUB

inaugurated its AI Supercomputing Lab on May 3, 2026. AIUB students won Best Paper Award at ICEBTM hosted by IUB. An Architecture student won the Italian MAECI Scholarship. AIUB expanded its Global Partnership Network at the Global Sustainable Development Congress (GSDC-2026). AIUB showcased Bangladesh on the global stage at GSDC-2026. AIUB's historic bronze finish at the Bangladesh National Basketball Championship 2025. AIUB joined the Responsible Futures International programme in 2024/25. Fall 2026-27 admission cycle ongoing with orientation on July 18, 2026, and classes starting July 19, 2026.

Help Desk and Student Services

AIUB provides comprehensive student services through multiple offices. The Office of Student Affairs (OSA) handles student welfare, disciplinary matters, and extracurricular activities. The Office of Placement and Alumni (OPA) manages career services, job placement, and alumni relations. The Office of the Registrar handles academic records, registration, and transcripts. IT support is available through the university's IT department for Microsoft Office 365, MS Teams (official online teaching-learning platform), email services, and network access. The university provides academic advising through faculty advisors. Health services are available on campus. The VUES (Virtual University Educational System) supports online learning. Counseling services are available for students. Admission help desk can be contacted at apply@aiub.edu or through the admission mobile numbers: 01886566666, 01844515912, 01844115000.

Alumni

AIUB has produced over 41,226 graduates worldwide. Notable alumni include Zaheed Sabur (Distinguished Engineer at Google), Shakib Al Hasan (Bangladesh national cricket team captain), Mohammad Mahmudullah Riyad (national cricketer), Anamul Haque Bijoy (national cricketer), Rajib Kundu (Head of Group Financial & Sustainability Reporting at Grameenphone), Syed Naim Ahmed (DGM Online Payments at bKash), Sayma Ahsan (VP External and Corporate Affairs at bKash), Sohail Alim (Director Account Management at Mastercard), Adnan Imtiaz Halim (CEO & Co-Founder of Sheba Platform Ltd). AIUB alumni are employed across 30+ sectors including IT & Software (26.65%), Banking & Financial Services (9.91%), Engineering (8.13%), Educational Sector (5.06%), Power & Energy (4.60%), RMG & Apparel (4.60%), and Telecommunications (4.16%). The AIUB Alumni Society (AIUBAlumS) is an independent registered society under RJSC of Bangladesh with 24,000+ Facebook followers, organizing homecoming events, football tournaments, and career networking programs.

Campus

AIUB's permanent campus is located on 12 acres (4.9 hectares) at 408/1 (Old KA 66/1), Kuratoli, Kuril, Khilkhet, Dhaka 1229. The campus shifted to this location in 2017 from its previous Banani location. The campus features modern multi-story academic buildings with air-conditioned classrooms, state-of-the-art laboratories, extensive sports grounds including basketball courts and cricket pitches, a large auditorium, seminar rooms, a central library, cafeterias, prayer rooms, and medical facilities. The campus is fully Wi-Fi enabled. Notable facilities include the AI Supercomputing Lab, Animation and Game Development Lab, Cyber Security Lab, and various engineering and science labs. The campus is urban, located near Kuril Flyover and easily accessible from all parts of Dhaka.

Transport

AIUB is located at 408/1 (Old KA 66/1), Kuratoli, Khilkhet, Dhaka 1229, Bangladesh, at the intersection of Kuril Flyover and the Dhaka Elevated Expressway, making it highly accessible from all parts of Dhaka. The campus is situated on 12 acres in the Kuril-Khilkhet area, near major landmarks such as the Kuril Flyover, Notun Bazar, and Jamuna Future Park, one of the largest shopping malls in South Asia. The university provides a modern 2-storied automated underground parking facility with a capacity of 160 vehicles, along with an outdoor parking area accommodating 210 vehicles, totaling 370 parking spaces. The automated parking system uses RFID technology for smart access control, streamlining vehicle entry and exit and reducing campus congestion. While AIUB's specific bus route schedule is not publicly listed in detail, the university's location on the main Kuril intersection means it is well-served by Dhaka's public transport network, including BRTC buses, CNGs, and ride-sharing services. The campus is accessible via the Dhaka Elevated Expressway, significantly reducing travel time from central Dhaka, Farmgate, Mohakhali, and Gulshan areas. The university provides free Wi-Fi throughout the campus, and its location is within proximity to the Hazrat Shahjalal International Airport (about 5 km away). The campus features a 130 kW solar energy system and 24/7 security with CCTV surveillance, archway scanners, metal detectors, facial recognition access at turnstile barriers, and outsourced world-class security solutions. Nearby landmarks include Kuril Bishwa Road, 300 Feet Road, Bashundhara Residential Area, and the Diplomatic Zone of Baridhara.

Library

The AIUB Central Library, known as the Knowledge Hub, is housed on the top floor of the iconic spherical dome building at the heart of the campus, spanning approximately 11,590 square feet with a 360-degree panoramic view. The library has been transformed with an IoT-based RFID solution implemented by Beyond Innovations & Technologies in 2018, using KOHA as the integrated library management system with MySQL database, enabling automated check-in/check-out, enhanced security through EAS and AFI features, and data-driven insights into collection usage. As of late 2025, the library collection has grown to approximately 59,000 volumes covering more than 80 academic areas, including books, journals, articles, newsletters, research works, CDs, and DVDs. The digital collection is extensive with over 172,000 e-books and 68,000 e-journals accessible through various subscribed databases including EBSCOhost, JSTOR, Wiley Online Library, Emerald, SPIE Digital Library, and others. The library offers a student sitting capacity of more than 500 and follows the Dewey Decimal Classification system with open shelf access for most volumes. Students can borrow up to 3 books for 7 days, while faculty may borrow 5 books for the entire semester. The library also provides access to free electronic resources such as arXiv, PubMed Central, DOAJ, and HighWire Stanford. The AIUB Library System software, developed in-house by the university's IT department, is operational and integrated with the University Management System (UMS). The library supports both physical and digital research needs, and the university also maintains an AI Research Lab, Digital Forensic Lab, and two institutes with six research centers, along with 25 cutting-edge engineering laboratories. The AIUB Journal of Science and Engineering (AJSE) is Scopus-indexed, the only such journal in science and engineering from Bangladesh. Recent holdings data indicates the library now serves over 1000 research publications annually from the university's faculty.

Career Opportunities

AIUB has a dedicated Office of Placement and Alumni (OPA) that manages career services, job placement, and industry connections. The university maintains relationships with 3,481+ companies across 30 sectors for alumni employment. Top recruiters include Grameenphone, bKash, Mastercard, Google, Therap BD, Transcom, NCC Bank, and numerous others in IT, banking, engineering, and consulting sectors. The OPA organizes career fairs, workshops, seminars, and recruitment drives. AIUB provides internship opportunities as part of its academic programs. The university's career support includes resume writing workshops, interview preparation, and career counseling. The Office of Placement and Alumni also maintains a career portal for job listings. AIUB has a strong track record of graduate employment with the largest concentration in IT and Software (26.65%), Banking and Financial Services (9.91%), and Engineering (8.13%).

Contact and Links

The full address of AIUB is: 408/1 (Old KA 66/1), Kuratoli, Khilkhet, Dhaka 1229, Bangladesh. The main telephone numbers are +88 02 841 4046-9 and +88 02 841 4050. The fax number is +88 02 841 2255. The general email is info@aiub.edu and the Vice Chancellor's office can be reached at vc@aiub.edu. The official website is www.aiub.edu. The Facebook page is www.facebook.com/aiub.edu. The university also maintains social media presences on LinkedIn, YouTube, and Instagram. Office hours are Sunday through Thursday from 9:00 AM to 5:00 PM. The Faculty of Arts and Social Sciences can be reached at +88 018 4411 5001, with Dean Prof. Dr. Tazul Islam at tislam@aiub.edu. The Faculty of Business Administration is reachable at +88 018 4411 5010 (MBA program), with former Dean Prof. Dr. Anwar Hossain and BBA Director Dr. Partha Prasad Chowdhury at partha.p@aiub.edu. The Faculty of Engineering can be contacted at +88 018 4411 5003, with Dean Prof. Dr. ABM Siddique Hossain at siddique@aiub.edu. The Faculty of Science and Technology is at +88 018 4411 5004, with Dean (in charge) Mr. Mashioor Rahman at mashioor@aiub.edu. Other key contacts include the Pro-Vice Chancellor Prof. Dr. Md. Abdur Rahman at arahman@aiub.edu, Registrar Group Captain (Retd.) Dr. Mohammad Zahidul Islam Khan, and the Admission Office which processes applications online through the AIUB Portal (portal.aiub.edu) with an application fee of BDT 1,000. The admission schedule includes written examinations and viva interviews, with the Fall 2026-27 semester applications opening in July 2026. The university is located near the Kuril Flyover, easily accessible via GPS coordinates 23.822138°N, 90.427406°E.
