Daffodil International University (DIU)

Daffodil International University was established on January 24, 2002, under the patronage of the Daffodil Group, one of Bangladesh's largest conglomerates. It has grown rapidly to become one of the country's largest private universities with approximately 22,000 students and over 1,000 faculty members. The university is located on a sprawling 360-acre campus in Birulia, Savar, making it the largest private university campus in Bangladesh. It also has a branch campus in Ras Al Khaimah, United Arab Emirates.

DIU is organized into 7 faculties covering Science and Information Technology, Engineering, Business and Entrepreneurship, Humanities and Social Sciences, Health and Life Sciences, Agriculture Sciences, and Graduate Studies. These faculties house approximately 28 departments offering programs in computer science, software engineering, electrical engineering, textile engineering, civil engineering, architecture, business administration, accounting, finance, marketing, pharmacy, public health, environmental science, nutrition, robotics and mechatronics, multimedia and creative technology, English, law, agricultural science, and fisheries.

The university pioneered the "one student, one laptop" program in Bangladesh, providing every student with a free laptop. It was also the first university in Bangladesh to launch a green campus initiative and the first to sign the United Nations' Commitment to Sustainable Practices. DIU has over 600 global partnerships with universities and organizations worldwide and research collaborations with Microsoft, IEEE, WHO, Google, AWS, and Nestlé.

Admission at DIU follows a trimester system with intakes in January, April, and September. The minimum HSC GPA requirement is 2.5, with an admission test or direct admission for high scorers. The application fee is BDT 1,000. Graduate programs include MBA, MSc, and MA degrees.

DIU offers an extensive scholarship program with 25 categories offering up to 100 percent tuition coverage. These include merit scholarships, academic excellence scholarships for high semester GPAs, sports scholarships, cultural scholarships, need-based aid, alumni scholarships, Daffodil Group employee scholarships, golden GPA scholarships for SSC and HSC top scorers, sibling discounts, freedom fighter quota scholarships, and tribal and ethnic minority scholarships.

Tuition fees vary by program. CSE costs approximately BDT 65,000 per semester, BBA costs BDT 55,000, EEE costs BDT 60,000, and English costs BDT 45,000. The one-time admission fee is BDT 15,000 to 25,000, with lab fees of BDT 4,000 to 8,000 per semester and a library fee of BDT 2,000 per semester.

The university's student clubs include the DIU Computer Club, Robotics Club, Business Club, Cultural Club, Debating Society, Photography Society, Film Club, Music Club, Sports Club, Volunteer

Organization, IEEE Student Branch, Environment Club, Language Club, Innovation and Entrepreneurship Club, and Blood Donors' Club.

DIU has achieved remarkable rankings. It was ranked number one in Bangladesh by the THE World University Rankings in 2025 and placed in the 801-1000 bracket globally in 2026. It ranks among the global top 20 in SDG 4 Quality Education and top 40 in SDG 8 Decent Work and Economic Growth. EduRank places it eighth in Bangladesh. The university has published over 1,000 peer-reviewed papers and holds multiple patents. Its 55,000 alumni span 19 countries.

The DIU Career and Placement Center is very active, organizing an annual job fair with over 100 employers. Faculty positions are regularly advertised on the university website. The university has faced periodic UGC compliance reviews and reported some internal governance issues, but these have not significantly impacted its operations.

Admission Process

DIU offers admissions for Spring, Summer, and Fall semesters. The admission process is selective, with an acceptance rate of 60-69%. For undergraduate programs, applicants need minimum 2.5 GPA in both SSC and HSC or equivalent. For engineering and science programs (CSE, EEE, ETE, Textile Engineering, Software Engineering, Multimedia Technology), students must have Physics and Mathematics in HSC with minimum 2.5 GPA. For Pharmacy, Biology is required at both SSC and HSC levels. For BBA, English, Law, Journalism, and other humanities programs, minimum 2.5 GPA in SSC and HSC is required. O/A level equivalents require completion of five O-level subjects and at least two A-level subjects with minimum GPA of 2.5. International students must complete admission before arrival in Bangladesh. The application process is online through the university website. Documents required include SSC and HSC transcripts, O/A level certificates where applicable, passport-size photographs, passport copy for international students, and medical certificate. Admission tests are conducted for specific programs, though some programs may waive the test based on academic performance. The admission fee for international students includes medical checkup (\$50), IELTS preparation (\$62), and admission form (\$20). Necessary documents include admission checklist items available for download on the website. The admission section provides airport pickup service for international students upon advance notice. Tuition fees can be paid through mobile banking (bKash, Nagad, DBBL Nexus Pay) or bank deposit.
